

Parking along Park Ave in both directions will be open parking. Please do not leave large gaps between vehicles. We would like to maximize space. Parking is also available at the Domingue Center lot which is labeled with a yellow "P".

Parking in the lot that is circled with yellow is overflow parking. There is a sidewalk that leads to the field entrance.

Parking in the red area which is between gates is reserved for coaches/staff ONLY. If you arrive early do not park here. Parking inside of gate is for staff and referees only. Do not block gates!
